

Dear Patients of Trinity Medical Centre,

Out of abundance of caution and to ensure everyone's safety during the COVID 19 outbreak and to minimize unnecessary physical visits to the clinic, We decided the following:

- Phone visits for **all patients and regarding all conditions will be arranged**
- Dr. Youssef will advise if a patient needs a **physical visit** at the clinic and an appointment will be given after proper screening
- Dr. Youssef will manage prescription refills, follow up on lab results, diagnostic imaging etc... at the time of your phone visit
